Synopsis:

Officer Holway and Sergeant Turner responded to a residence for a reported domestic assault between boyfriend and girlfriend. When Sergeant Turner arrived on scene the male subject ran in the house and frantically attempted to pull down shades. A few moments later the male subject ran out the front door screaming and jumped into the driver's seat of his vehicle. The male subject started the vehicle and began revving the engine. Fearing that the male subject would injure or cause serious bodily harm if he left Sergeant Turner drew his taser and deployed the taser into his left shoulder. The subject was not affected by the taser and was again trying to flee the area. Sergeant Turner deployed his Taser a second time in an attempt to subdue the male subject. Once other officers arrived on location the male subject was taken into custody and transported to Cape Cod Hospital for evaluation.

Dear Lt. Hurley, This is a long overdue thank you. You helped me on one of the hardest days of my life. My husband died. You had the task of telling me and holding me in your presence as I took in the shock. Your words and your spirit kept me safe to process the first hour and for that I am grateful. You also took care of my sons. I have not forgotten those wise words. I am still struggling but working one day at a time. ...
Thank you for protecting and supporting.

Dear Chief Fisette, Art peace makers would like to thank you for your support of our 15th Annual Martin Luther King Day Celebration and March. Having the presence of your police officers there, directing traffic, insured a safe march, Thank you for your continued support.

Dear Ron (Chief Fisette), Thank you as always, but especially this year for your help with the historic MLK day walk.

Hello Chief Fiset, I've been coming to Wellfleet for over thirty years and now live in the trailer park by Mayo Beach for six months each year. My family and I have always made the best of what Wellfleet offers.

Your officers are a big part of Wellfleet's best. My interaction with your officers over the years has been mostly quick conversations and requests for help or advice. Each interaction has proven that your officers are well-trained, thorough, and polite. This includes your seasonal officers and traffic officers as well. I'm aware of how difficult it is to be a police officer, but your officers manage to carry out their duties efficiently and with a style befitting Wellfleet's rich history. Kevin
